

# Traverse City Film Festival Volunteer Dress Code

Our amazing JenTees Volunteer tshirts should be worn at all times while volunteering, but please only wear them while you are on duty.

Once the festival is over, we encourage you to wear them 24/7/365.

Cold? Please only wear zip-up jackets or sweatshirts so that your volunteer tshirt is still visible.

Pants, capris, knee-length shorts or skirts are all appropriate, but please – no holes or tears

Please wear comfortable shoes. You may be required to stand for a long period of time and some jobs involve heavy lifting.

## Party Volunteers

Please wear black and white outfits only. We ask that you stick to solid white and black, no patterned prints please.
